

PREMATURE EJACULATION DIAGNOSTIC TOOL

This is a questionnaire to help identify men who may have a problem with ejaculating too soon during sexual activity

Even if you do not have difficulties, please answer all the questions

- Please circle the number that best represents your answer for each of the questions below
- Please circle only one number for each question
- Remember there are no right or wrong answers to these questions
- While your experiences may change from time to time, what we need to know is your general experience with intercourse.

PLEASE NOTE:

Ejaculation refers to the release of semen after penetration
(i.e. when your penis enters your partner)
